

Friendship Card:

In 2010, we launched our Friendship Card. The aim of the Friendship Card is to give cardholders entry concessions and enable them to avail of special offers and events throughout the year.

All friends of Aillwee Cave & Burren Bird of Prey Centre will be from time to time notified, via email or text message of offers available.

Anyone can register for the 'Friendship Card' by emailing tracy@aillweecave.ie with the following details:

Name: Address: Email: Mobile No:

Once you have sent you details in by email, you will then be sent your Friendship Card in the post and receive emails or text messages from us throughout the year.
